<ul style="list-style-type: none"> ● Kelly Robles from (AZ Transfer) regarding IB/AP equivalencies and examination by credit <p>Kelly was very informative about credit by examination and how we can best advocate for changes to AZ colleges’ and universities’ IB credit by examination policies. There are task forces that meet throughout the year for the various disciplines. The link below has the task forces and when they are meeting. We can come up with what disciplines/policies we most want to target for change in the coming school year and Kelly can request for us to get on their meeting agenda. It’s a little tricky in that we need to be able to show what standards our students achieve in those disciplines; but going in to the meeting, we don’t know what standards they expect students to achieve to show mastery at each level for credit. It’s not necessary to do an AP/IB comparison and sometimes feels like we are down-selling what IB does with that comparison (“Like AP only better!” is kind of a lousy tag-line) BUT there are times when the differences in AP/IB credit given is so glaring that the comparison could be helpful if we know what the standards are for AP achievement.</p> <p><u>Please let Jake Davis and Amy Bomke know:</u></p> <ol style="list-style-type: none"> 1. What subject area do you think most needs to be targeted this year 2. If you are willing to serve on an AZIBS transfer credit subcommittee for that area (or have a subject area teacher who would) with the goal of organizing our “case” for better credit and attending the AZ Transfer task force meeting to advocate for that change. <p>https://www.aztransfer.com/taskforces/disciplines.html</p> <p>One of the helpful features of this webpage is the area “Course and Exam Matrix”. The common courses in the subject area are listed there and you can look up each credit by examination exam institution (IB, AP, CLEP, Cambridge) and see all of the AZ Transfer partner institutions’ policy for granting credit.</p> <ul style="list-style-type: none"> ● Discussion on how our DP programs handle the Core. Do you have a Core class? TOK with extra time? Occasional pull-out from class? 		

<p>Something else?</p> <p>Good discussion. It seems that there are as many options as AZIBS coordinators. Some have a Core class that is a daily part of the schedule. Some have it as a pull-out class. Some cram it in to longer TOK classes. There was a request for examples of block schedule examples if anyone has one they'd like to share.</p> <ul style="list-style-type: none"> Chris Overhoff from Toddle <p>Showed features of Toddle LMS that are specific to DP. You get a Toddle buddy who works with you as you are learning the system. The AZIBS DPCs who have move to Toddle report being very happy with it. If you already use Managebac, Toddle can move all the data and student work over to Toddle.</p> <ul style="list-style-type: none"> Are there any counselors/DPCs in our group? Do we need more counselor representation at meetings? On the Board? <p>This was a very short discussion that could be revisited. It sounds like DPCs acknowledge that much of what we discuss might not be relevant to counselors on a usual basis but there are definite times like our visit from Kelly Robles when it would be a good idea to invite counselors.</p> <ul style="list-style-type: none"> Further discussion on IB's ChatGPT statement. How are schools dealing with using AI and academic integrity? <p>We didn't have time for this discussion</p> <p>Reminders:</p> <ul style="list-style-type: none"> coordinator nominations for Teacher of the Year are due by May 1st and the teachers should apply by June 1st.
