Vision & Mission Statements:

“Inspire the One...Become One Timpanogos!”

We see a school where being a T-Wolf is an honor because students are valued for who they are, and where we see everyone as someone!

PACK Philosophy:

“The strength of the WOLF is the PACK. The strength of the PACK is the WOLF!”

As members of PACK, we aspire to show our support in the school and the community by respectfully recognizing teachers, administrators, peers, and community members by being kind and supportive of everyone. Our goal is to unify the Timpanogos Community and build T-WOLF PRIDE! Being members of PACK as well as a student leadership coalition, we have an enormous responsibility to our school and each other.

There is a lot expected of us as individuals and as a group, and you must be willing to exceed expectations at all times! We want PACK to be a fun, learning environment where students are challenged and learning takes place in the realm of service and leadership. Past PACK members have left a great legacy...let's build on that legacy and create our own traditions so that those who follow will be proud of our efforts.
